CLEAN UP NOW SO CITY MAY DO WORK

DEPOSIT TRASH TODAY, AND SAVE HAULING, IS ADVICE.

MAKE EFFORT TO SHOW VISITORS NICE HOMES

Leaders Urge Residents to Prepare Maryville for Receiving Guests the Last of the Week.

Do it now.

The clean-up is now on in full blast. Virtually every rake, hoe, wheelbarrow, cart, fork and spade in Maryville, except those for sale in stores, are in use today as aiders and abettors in Maryville's initial united clean-up campaign. Of course, Maryville has always cleaned up well, in fact has kept well cleaned, but this spring the effort is more united and more thorough than ever before.

While clean-up day, officially and formally, is not until tomorrow, special urgency is made that the lawn be raked of dead leaves, the back lot cleared of all rubbish, and if possible put into garden, the tin cans and broken cast-offs of the place piled up for disposal prior to tomorrow morning. This may necessitate the use of the midnight oil by some tonight, or at least some back breaking work this evening after a day at the office.

Free Disposal Tomorrow.
But the need for rushing the clean-up through tomorrow is for two reasons:

First, if you gather your rubbish up today the city will remove it free of cost and without any trouble to you—but only tomorrow, remember. This alone will mean much to folk who are not fortunate enough to have a horse and rig.

The second and biggest reason why the premises should be cleaned at once is because of the crowds which will flock into Maryville Friday and Saturday, and maybe a few on Thursday of this week. For on the last two days of this week the northwest Missouri editors will meet here and the annual inter-high school literary and athletic contests will be held.

For Town Pride, Clean Up.

Their view of Maryville at that time will mean much. If it is good Maryville will get much mention by the many editors who will come, and if it is bad, there may be some mention, too, or at least no commendation. So for the love and pride you feel for your home town, clean up and do it quick.

There will be no schedule on which the city garbage wagons will operate over the city tomorrow, but every street and alley in Maryville, clear to the outskirts, will be traversed once during the day by a city rubbish wagon. If your trash is neither in the street or alley when the wagon goes along then you must tote it off yourself, for no street or alley will be traversed more than once.

LUMBER DEALERS TO MEET.

Northwest Missouri Lumbermen Gather at St. Joseph Friday—C. C. Trapp, President.

The annual spring meeting of the Northwest Missouri Retail Lumber Dealers' association, of which C. C. Trapp of Graham is president, will meet at the St. Francis hotel, St. Joseph, Friday. The election of officers and hearing of reports will constitute part of the business meeting.

Leave For Homes.

Frank Butcher of St. Louis and William Butcher of Atchison, Kan., who were called to Maryville by the death of their father, C. H. Butcher, who died Friday noon, will leave for their homes tonight.

RECEIVE TROPHY CUPS

Three Championship and 3 Relay Prizes Here For Winning High School Athletes.

The trophy cups for the inter-high school track meet winners here next Saturday, in addition to the forty medals, were received Saturday by Delhart & Holmes, jewelers, and will be placed on display today. There are three championship trophy cups and three relay trophy cups, each with silver plate exterior and gold lining and set on a mahogany base.

The championship cup stands 14 inches high without base and approximately 20 inches high with base. The relay cups stand 8½ inches high without base. They have a 3-inch base.

The championship cups have engraved on one side the initials N. M. I. H. S. A., meaning "Northwest Missouri Inter-High School Association," the words "Championship Trophy Cup," the date, "1915," and the words "State Normal School, Maryville, Mo." In addition, the class for which each championship cup is designed is mentioned, with the words "Class A," "Class B" and "Class C." Space for the winner's name is also allowed on the front or the back.

TRY NEW LINEBAUGH SUIT

Litigation Over Farm Possession to Be Heard by A. F. Harvey, Special Judge.

A trial before a jury of the suit of Duffey Wallace against William T. Humphrey, over the possession of 40 acres of the old William Linebaugh estate, a mile east of Clearmont, was begun this afternoon before Special Judge A. F. Harvey. This action was taken on plea of the defendant for a change of venue. By agreement of parties in the litigation it was decided to swear Judge Ellison off the bench and substitute Mr. Harvey.

Wallace claims in this suit, that Humphrey tore down some fencing bounding the place, and asks damage for same. Both claim possession of the land. The jury for the case was selected this morning. It consists of C. E. Duncan, S. J. Friend, P. E. Ashford, Z. W. Thompson, Mike Sturm, C. H. Wilson, J. B. Taylor, E. C. Moore, D. M. Hughes, George Lucas, C. O. Workman and James Donnell.

This will probably end the April term of Circuit court.

BARN FIRE WAS INCENDIARY?

Early Morning Blaze on Charles Miller Farm, Near Quitman—Officers Investigate.

A fire of unknown origin, probably incendiary, destroyed the barn and most of the contents on the Charles Miller farm, one and one-half miles northeast of Quitman at 3:30 o'clock this morning. Only a wagon and buggy were saved. There was no stock in the building at the time. The place is occupied by John Miller, and was formerly owned by Chris Bowman.

Immediately after the fire was discovered, Sheriff Edwin Wallace and Chief of Police E. C. Moberly were summoned. They hastened to the scene of the fire and began an investigation as to whether the fire was of incendiary origin. While the flames were first discovered in the loft, and no one was known to have gone there yesterday or last night, Sheriff Wallace said this morning that he did not find enough evidence to warrant the belief that the fire was an incendiary one.

A further investigation will be conducted however. Chief Moberly said this morning, he would probably not use his blood hounds on the case.

To Visit in Des Moines.

Mrs. G. R. Cornelius of Des Moines, Ia., who has been spending a couple of weeks visiting her parents, Mr. and Mrs. John Murrin, returned to her home today. She was accompanied by Mrs. Murrin, who will visit in Des Moines.

ENTER FOR EVENTS

MANY SCHOOLS TRY AT TRACK MEET SATURDAY.

SOME IN ALL CONTESTS

Maryville High School to Enter Student Athletes for 15 Races, Some For Only a Few.

The list of entries by events for the sixth annual inter-high school track meet of Northwest Missouri schools, to be held at the Normal grounds Saturday afternoon, was compiled this afternoon by Prof. H. P. Swinehart, corresponding secretary of the association. There are fifteen events, for which seven or more schools out of the thirty-five are entered for each. A few of the larger schools, including Maryville, have entries for each event, while a few are trying for merely two or three events.

In some instances three or more names are entered for a certain event from one school, but only two from any one school can take part in any event at the time of the contest Saturday. The permission for schools to enter up to five, is to give more time in which to pick the best material for the final entrance.

The list of entries for each of the fifteen events is:

CITY STARTS CLEAN-UP TOO

Begin Flushing Paved Streets Today, Preparatory to Arrival of Visitors Friday.

The city street department also has enlisted in the clean-up movement, and this morning a general flushing of the paved streets of the business section, was begun. The paved streets have really been dustier than the dirt streets and roads the past week, on account of so much mud being tracked onto the pavement during the prolonged muddy spell last month.

The work this morning was begun on East Third street beginning at Market street. Other paved streets will be taken up in order, with the expectation that much of the pavement can be thoroughly cleaned by Friday, according to City Engineer F. L. Flynt.

TO PUNISH LIQUOR VENDERS

Court Reduces Punishment of John Williams, Because of Charge, Not Leniency.

The punishment of John Williams, charged by the state with having given liquor to a minor, who was sentenced last week to serve six months in the county jail by Circuit Judge W. C. Ellison, was reduced this morning to a fine of \$200. This was not, Judge Ellison explained, because of any desire to show leniency, but because the charge placed allowed of no greater punishment.

"Under the state law a person convicted of having given liquor to a minor can be punished no greater than by a \$200 fine, while if the charge be giving liquor to an habitual drunkard it can be a six months jail sentence," said Judge Ellison. "I do not want it misconstrued that this court will be lenient on illegal peddlers of liquor or 'go-betweens' for those that do drink, but that on the other hand the maximum penalty will be given wherever possible."

Williams pleaded guilty to having gotten whisky for Levi Kelley, a minor. Williams went to jail, being unable to pay fine.

HORSES RUN WITH LOAD OF HAY.

Left Trail—Damage Wagon and Harness—Two Occupants Unhurt.

A team of horses hitched to a wagon loaded with hay and driven by Ernest Pivral and H. O. Adams, became scared and started to run at Fifth and Buchanan streets at 12:30 o'clock this afternoon. In making a quick turn to the west at Seventh and Buchanan streets the wagon was run against the northwest curbing, upsetting it and smashing both axles on the right side, damaging the hay rack and the harness. This checked the horses.

While Mr. Adams was precipitated partly beneath the wagon when it overturned, neither he nor Pivral were hurt.

'T WAS A GREAT DAY OUTDOORS.

Many Residents Hled to Woods and Streams Yesterday for Outing.

Yesterday was a great day for Maryville folk to get out of doors—and a great big bunch of them did so, too, as could be observed along the country road and woods and streams. From early morning until after sundown the roads were lined with folk intent on outing, either going or coming. They were not all men or boys, either. There were girls in the out-of-doors frolics.

Fishing proved to be the most popular diversion, and the fish stories that were told around the streets and in homes last night and today were a caution. Of course, a goodly number of the finny specimens of animal life were snared into the folds of human beings of Maryville—but not near so many, nor were they near so large, as one would imagine by the stories told. Fishing was good, though, and so was kodaking, flower hunting and motoring.

TO HOLD COMMENCEMENT.

Clearmont High School Will Graduate Two Friday Night.

Two students will finish the course of the Clearmont high school this week. They are Miss Blanche Marie Wallace and Miss Ethel Margaret Gillespie. The commencement exercises will be held Friday night at the Clearmont Methodist church. The class address will be given by the Rev. Tom C. Middleton, pastor of the Methodist church of Burlington Junction.

The class sermon was given yesterday morning by the Rev. R. R. Watts. Prof. George Summerville is principal of the Clearmont schools.

Burlington Won 8 to 0.

The Skidmore base ball team lost to Burlington Junction at Burlington Junction yesterday afternoon by a score of 9 to 0. While one-sided, the game was fast and exciting, it is said.

600 MEN AT MEET

"BILLY" DAVISON TEAM DRAWS CROWD TO CHRISTIAN CHURCH.

IOWA WORKERS SPEAK

Other Protestant Brotherhoods Join in Union Meet Yesterday Afternoon—Musical Program Given.

More than 600 men attended the union meeting held yesterday at the First Christian church, conducted by the "Billy" Davison Gospel team of Des Moines, Ia. Headed by the Maryville band and the gospel team, the Brotherhood of the Christian church went in a body to the other churches, taking in line the men's clubs of the First Methodist, Presbyterian, Baptist and Buchanan Street Methodist churches.

The meeting opened at 3:15 with a musical program by the band, and singing by Paul Wells, soloist of Central church, Des Moines, and a double quartet under the direction of Prof. H. B. Schuler.

Yesterday was the fifteenth Sunday which this gospel team has spent in evangelistic campaigns. The team is composed of five members, all business men of Des Moines, Ia. They are William Davison, leader; Dwight Lewis, assistant commerce counsel of Iowa; Guy Williams of the reportorial staff of the Des Moines Register-Leader; Robert Garland, a traveling salesman, and Paul Wells, soloist. At the meeting yesterday afternoon each of the men made a talk, giving his various experiences and telling of his conversion. The meeting was one of the most enthusiastic ever held in the city. The team has been doing an unusual work since its organization last fall. Whenever meetings have been held they have been attended with a great success and many converts have been made. At the morning hour of service the men visited the other churches of the city. Last night the team conducted the services at the Christian church, holding one of the largest gatherings ever in the church.

Delegations from all the surrounding towns were present at the meetings yesterday afternoon and last night.

BASEBALL PARK IS LEASED

Boosters Get Ground Rights for Season—Start \$1,000 Ticket Sale at Once.

A contract was made at noon today whereby Warren Spoor, owner of the "Rifle" base ball grounds in the southeast part of the city, granted the rights of the park for this season to the leaders for a city base ball team this summer. It provides for thirteen games, one each week, beginning about June 1 and continuing until September 1.

The sale of season tickets for the games at \$1 each for adults and 50 cents each for children 12 years old or less, will be begun at once, it is announced. It is intended to sell \$1,000 worth of tickets in order to assure a full season's games here. This will necessitate the sale of about 600 adult tickets and 800 children's tickets, leaders say.

As school will be dismissed by the time the season starts, though, it is argued that fully 800 children's tickets can be sold, while the games coming later in the afternoon, it is believed all business men and laborers can take advantage of the attractions.

PICK FINAL LOCAL ENTRIES

Twelve Maryville Athletic Contestants for Meet Friday Are Chosen—Five Eliminated.

The twelve students of the Maryville high school who will enter in the track meet at the Normal grounds Saturday morning by eliminating five of the seventeen originally entered. Those retained are Myron Baker, Joseph Farmer, George Flemming, Ellison Frank, Claude Glass, James Halasey, William Hutchinson, Lester Masters, Harvey Messick, Kenneth Van Cleve, Russell Woodward and Eugene Yehle.

They will enter for the events previously announced. Those dropped today are Curtis Benight, Harold Sawyers, Berney Harris, Irwin Harris and Don Roberts.

Attended Shull Funeral.

Mr. and Mrs. Wilbur Lawler and Mrs. Lloyd Casteel returned Saturday from Skidmore, where they were called to attend the funeral services of their aunt, Mrs. P. P. Shull.

URGUE CLEAN-UP FROM PULPIT

Ministers See Value of Improvement Campaign—"A Challenge to Higher Civic Life."

The clean-up move got into the churches yesterday, and from the pulpit utterances on the improvement campaign were heard at several churches, while the Rev. R. L. Finch made it a special sermon topic yesterday morning. Everywhere such announcements were made, it was argued that the clean-up campaign was of spiritual and moral value as well.

"The person, be he orthodox and a constant church goer, who keeps a garbage can on his premises in a condition that is a menace to health, or does not remove unnecessary fire risks, lessens his chance to get into the kingdom of heaven," said the Rev. S. D. Harkness in his sermon yesterday morning at the First Presbyterian church.

In Mr. Finch's sermon on clean-up he explained why a clean-up of premises marked a pride of the town, and showed how it was in keeping with the modern ideas of surgery and medicine, in trying to prevent rather than to cure diseases of the human being.

Cast Away Sombre Clothes Now.

"At this time of the year individually and collectively we are seized with a 'divine unrest.' Nature has sloughed off her sombre grays and is bursting forth in flashing garments of green. There are fateful conferences as to the most satisfactory radish or the most opulent onion. The children await with breathless anxiety the appearance of the first tiny shoots in the garden. 'Tis a scene of homely peace and pastoral beauty."

Suddenly, however, countless batteries of 42-centimeter guns are heard on every hand. The mighty army of house cleaners are bombarding the rugs. The air is filled with the dust of battle. Nervous husbands are seen skulking down alleys in the direction of business. Dinners are eaten on a box in the kitchen, if at all.

"And as the sun rises the lord of the household looks down upon a world that has suddenly declared war upon all the accumulated dirt of the winter, and proposes to fight the battle through to a glittering end. Before long old Sol sees General Housewife victorious within the walls of the home, and she now advances to the attack on all the rubbish and filth out of doors."

A City Has a Soul.

"Steadily she advances with dead leaves, tin cans and old shoes falling back before her until with one supreme effort she drives them into the alley, where Tuesday the city will find their piled up remains and cart them off to the dumping ground."

"The annual onslaught of the forces of cleanliness against the forces of dirt, and uncleanness is a challenge to the higher civic life, and should meet with such a hearty response that Maryville shall be known as the 'City Beautiful.' But more than this: There is in the 'clean-up' idea a suggestion of values that lie far beyond that of a city physically clean and beautiful. A city possesses a soul. It is the residue left when all the purposes, desires and ambitions of every member of the community life, good and bad, are thrown into one common melting pot and subjected to the white heat of public scrutiny."

Attend Funeral at Liberty.

Dr. and Mrs. C. T. Bell and Mr. and Mrs. John Richey returned last night from Liberty, Mo., where they went to attend the funeral services of W. E. Bell, a brother of Mrs. A. E. Bell of this city, who died Friday. Mr. and Mrs. A. E. Bell went to Liberty several days previous.

Attended Shull Funeral.

Mr. and Mrs. Wilbur Lawler and Mrs. Lloyd Casteel returned Saturday from Skidmore, where they were called to attend the funeral services of their aunt, Mrs. P. P. Shull.

POLK PUPILS HAVE MEET HERE MAY 15

PLAN ATHLETIC CONTESTS AND COMMENCEMENT.

HOLD TRACK EVENTS ON STREET; PICK OFFICERS

Teachers and Superintendent Prepare Awards and Choose Committee—Any Township School Eligible.

The annual track meet and commencement for public school students of Polk township, to be held Saturday, May 15, was arranged for at a meeting of Polk township teachers with County School Superintendent Bert Cooper Saturday afternoon. The commencement program will be given at some church or the opera house here, beginning at 1 o'clock in the afternoon. Immediately after that the various athletic events will be staged, probably in the street on the west side of the square.

Any school in the township may enter pupils for the athletic stunts and be entitled to prizes offered. There will be ten events. Officers and committees to arrange for the commencement and track meet were also selected. The new officers are: President, Miss Mary Halasey; secretary, Miss Mary Watson; treasurer, Miss Ruby Ruddell; starter, Prof. H. P. Swinehart; referee, Prof. Walter Hanson; announcer, Orlo Quinn. Judges are to be selected soon by Prof. Bert Cooper. The committees are:

Program—Miss Grace Fisher, chairman; Miss Mary Watson, Miss Myrle Converse.

Finance—Miss Ruby Ruddell.

Flower—Miss Izora Mutz, Miss Mary Tobin and Miss Nellie McKnight.

There are thirty-one schools in Polk township, excluding those of Maryville, each of which are entitled to representation in the commencement and track meet, May 15. The expense of the track meet premiums will be met by co-operative contribution by the various schools and teachers in the township.

The various track meet events arranged Saturday afternoon are:

50-yard dash—For pupils of grades 5th and 6th: First prize, \$1; second prize, 50 cents.

Sack race—For pupils of grades 2d, 3d and 4th: First prize, \$1; second prize, 50 cents.

REV. PRICE BEGINS MEET

Two Weeks Revival Services Opens at
Methodist Church.

The Rev. Thurston B. Price yesterday morning conducted the first of a two weeks series of meetings to be held at the First Methodist church.

The Rev. Mr. Price is a pleasing speaker, quiet and forceful in manner and expression, and he speaks in a way to carry conviction.

Yesterday morning he spoke from the subject "A Sane Evangelism." The address was along the line of an appeal for evangelism from a common sense business man's standpoint, and that a revival meant a reviving of spiritual life with a new devotion and new consecration.

The Rev. Mr. Price said in his address:

"Some revivals are better than others, some out, than some in, the church. I do not object in any way to evangelistic meetings, but the method of evangelism must be in pursuance of a deep, consecrated renewal of our faith and in this way we cannot help but get the others to join with us."

Last night the Rev. Mr. Price spoke from the text "Where Art Thou?" discussing the relation of god and the Christian, the lukewarm Christian, and the man outside.

Rev. E. N. Guice has charge of the music at each service. The meetings will be held each night at 8 o'clock.

CITY TO AID ROAD DRAGGING

Connell Agrees to Donate \$100 a Month
for Improving Main Thoroughfares.

The city council met in informal session at the city hall Saturday night to hear a proposition from Charles Bellows relative to city aid for road dragging into Maryville, as provided by the Commercial club last Tuesday night. All councilmen but Mohe Hahn were present. Mayor U. S. Wright presided.

While no contract was made, nor ordinance passed relative to the matter, the city aldermen agreed to expend \$100 a month for the improvement proposition, provided the work is satisfactory. This action was taken because of the Commercial club's move to drag and improve each of the ten highways leading into Maryville for a distance of two miles from the city paving.

As this would necessitate much improving inside the city limits, it was thought just that the city should contribute to the proposition.

WAS RESIDENT FORTY YEARS.

E. B. Yeaman, 76, Dies Yesterday
Morning at Barnard.

E. B. Yeaman, 76 years old, who had been a resident of Nodaway county for the past forty years, died at 9 o'clock yesterday morning at the home of his daughter, Mrs. J. A. Jobe, two miles northeast of Barnard. Mr. Yeaman had been in failing health for the past eighteen months.

The funeral services will be held at 9 o'clock tomorrow morning at the Jobe home, and the body will be brought to Maryville at noon and buried in Miriam cemetery, beside that of his wife, who died five years ago.

For the past four years Mr. Yeaman had made his home in St. Joseph with his son, O. B. Yeaman, who recently moved to Maryville. Mr. Yeaman is survived by five sons and three daughters. They are R. P., O. B. and R. O. Yeaman of Maryville, L. A. and W. E. Yeaman of Kansas City, Mrs. J. A. Jobe of Barnard, Mrs. C. C. Blagg, living south of the city, and Mrs. Floyd Bradley of St. Joseph.

Vick's "Vap-O-Rub" Salve Relieves by
Inhalation and Absorption.

No Dosing.

No need to take internal medicines or habit forming drugs for these troubles. When Vick's "Vap-O-Rub" Salve is applied to the head of the body, soothing, medicinal vapors are released that are inhaled all night long through the air passages to

the lungs. In addition, Vick's is absorbed through the skin, relieving the aches and pains.

Vick's can be applied over the throat and chest and covered with a warm flannel cloth—a little put up the nostrils—on each side in a spoon and inhale the vapors arising. Also for Asthma and Hay Fever, rub Vick's well over the nasal cavities to relax the nervous tension. 25c, 50c, or \$1.00.

DIVER WORKING ON F-4 ENTANGLED IN LINE Freed by Comra's After Four Hours' Strenuous Work.

Honolulu, April 19.—While working at a depth of 220 feet outside the harbor, where attempts are being made to raise the submarine F-4, Diver William F. Loughman became entangled in the lines attached to the submarine, but was released after heroic efforts lasting nearly four hours.

Loughman was being brought to the surface when he became entangled. Diver Frank Crilly, who recently made a record here for deep sea diving, was hastily sent down to aid Loughman. Both divers worked strenuously to disentangle the lines to the submarine from the air tube and the line attached to Loughman's apparatus. Finally Crilly signalled that Loughman was clear.

Crilly is being hailed as a hero. Though weak from exhaustion and nervous strain, Loughman is well on the way to recovery today.

GERMAN VESSEL BOUGHT

Hamburg-American Liner Now Under
United States Registry.

Washington, April 19.—American registry has been granted the steamship Housatonic, formerly the Hamburg American liner Georgia, which has been laid up at New Orleans since the European war began. In announcing the change of registry a department of commerce statement said the ship had been bought on March 29 for \$85,000 by the Housatonic Steamship company, of which Edward S. Greer of New York is president. It is understood that the Housatonic is to be employed in the South American trade.

Jesse W. Lillenthal, president of the United Railroads of San Francisco, announced that he would continue to discharge every man whom he believed to be afflicted with the newly organized street car men's union. He said he considered the demands of the union for an eight-hour day and a minimum \$3 wage to be unreasonable, and that the company could not afford to meet them.

ALLIES BUY 80,000 MULES

British Move Inspection Headquarters
to Mountain Country.

Kansas City, April 19.—Orders for 80,000 mules for use in the British army have been placed with local live stock dealers by agents of the British government. The orders are for delivery covering the next six months.

The animals are to be assembled at Grand Island, Neb., and shipped from there to the seaboard in Canada. It was asserted.

British remount officers announced also that inspection headquarters would be removed temporarily from Kansas City to Denver. This will be done, it was pointed out, that buyers may invade the range territory while farmers in this section are using their animals for harvesting purposes.

D. A. R. MEET OPENS WITH USUAL BATTLE

Washington, April 19.—With the preliminary business disposed of, delegates gathered here from practically every section of the country for the twenty-fourth annual congress of the Daughters of the American Revolution. The congress will be in session all week, but interest centers in the election of officers Wednesday.

Campaign leaders for the rival candidates for president general began to round up their followers. The congress apparently is divided into two factions—one supporting Mrs. Story for re-election and the other working for Mrs. George Thacher Guernsey of Kansas.

Card of Thanks.

We desire to extend our heartfelt thanks to all friends and to the Masonic and K. of P. lodges and the Shriners of Mollie temple, St. Joseph, for their kindness during the illness and after the death of our husband and father, Christian Buthrus.—Mrs. Catherine Buthrus and Family.

BASEBALLWORKON BEGIN TICKET SALE FOR NORMAL SEASON TODAY.

PLAY TRIAL GAME TODAY

Faculty and Players Meet This Afternoon for Preliminary Try-Out—Meet Wesleyans Here Friday.

Tickets for the Normal base ball season of 1915 were placed on sale this morning at the Normal school. The placing of the tickets in the hands of the students for sale was done under the direction of Coach Walter Hanson in a very novel manner.

After the school had sung several songs, the curtain to the stage in the auditorium was drawn and the entire base ball team in new suits appeared before the student body. After the team had sung a song it was announced that there would be a game this afternoon between the Normal school and a picked nine from the faculty.

Mr. Hanson then called on Mr. Foster, the captain of the faculty team, for a speech. Mr. Foster very wittily extolled the prowess of his aggregation, and also added some very sage suggestions to the umpire, President Ira Richardson.

After Mr. Foster had finished, Mr. Hanson called the attention of the student body to a large blackboard, covered with white cloth. Upon the white background was a base ball diamond drawn in green, and a series of numbers extending across the board. Mr. Hanson explained that the numbers of the board represented the number of tickets that he had for sale, and called for the first person who would undertake the sale of a number of the tickets.

Societies Aid Base Ball.

The Eureka Literary society demanded the first fifty tickets, after which the senior class took a like number. The Philomathean society and the junior class were on their feet practically the same time and also asked for a number of tickets.

As the numbers asked for by the societies, classes and individuals were removed from the board, it became apparent that each number had covered a letter on the blackboard, and at last, when all of the numbers were removed, the words "We Want the Championship" were displayed to view. A single row of 5s down one side of the board when removed showed the words "Thank You."

Five hundred tickets were put in the hands of the students this morning, and it is thought that more than half this number will be sold before the game with Missouri Wesleyan college Friday, when the Methodists open the season on the Maryville diamond.

The line-ups for this afternoon's game will be as follows:

Faculty—Kinnaird, p; Foster, 1f; Swinehart, 3b; Wagg, cf; Rickenbrode, 2b; Wilson, rf; Caulfield, ss; Wells, c; Schuler, 1b; Maxwell, cf.

First team—Blagg, 1b; E. Adams, 2b; Leech, ss; Bird, 3b; Wiles, c; Brittain, cf; Noblett, rf; L. Adams, 1f; Ham, p.

President Ira Richardson, umpire.

Official Schedule Out.

The Normal first team is now beginning to round into shape, and with the addition of Edward Adams and Eugene Bird, who entered school today, the prospects begin to look bright. Marvin Dyer of St. Joseph is also expected to return and will probably find a regular berth on the team. The men named in the lineup are first team men, but may appear in different positions before the opening game.

The season tickets call for five games and sell for \$1 each.

The official schedule, as announced by Coach Hanson today, is as follows: Missouri Wesleyan at Maryville, April 23.

William Jewell college at Maryville, April 30.

Tarkio college at Tarkio, May 7.

Missouri Wesleyan college at Cameron, May 13.

William Jewell college at Liberty, May 14.

Conception college at Maryville, May 19.

Tarkio college at Maryville, May 23.

Conception college at Conception, June 4.

Peru normal at Maryville, no date set.

CLEAN UP NOW SO CITY MAY DO WORK

DEPOSIT TRASH TODAY, AND SAVE HAULING, IS ADVICE.

MAKE EFFORT TO SHOW VISITORS NICE HOMES

Leaders Urge Residents to Prepare Maryville for Receiving Guests the Last of the Week.

Do it now.

The clean-up is now on in full blast. Virtually every rake, hoe, wheelbarrow, cart, fork and spade in Maryville, except those for sale in stores, are in use today as aiders and abettors in Maryville's initial united clean-up campaign. Of course, Maryville has always cleaned up well, in fact has kept well cleaned, but this spring the effort is more united and more thorough than ever before.

While clean-up day, officially and formally, is not until tomorrow, special urgency is made that the lawn be raked of dead leaves, the back lot cleared of all rubbish, and if possible put into garden, the tin cans and broken cast-offs of the place piled up for disposal prior to tomorrow morning. This may necessitate the use of the midnight oil by some tonight, or at least some back breaking work this evening after a day at the office.

Free Disposal Tomorrow.

But the need for rushing the clean-up through tomorrow is for two reasons:

First, if you gather your rubbish up today the city will remove it free of cost and without any trouble to you—but only tomorrow, remember. This alone will mean much to folk who are not fortunate enough to have a horse and rig.

The second and biggest reason why the premises should be cleaned at once is because of the crowds which will flock into Maryville Friday and Saturday, and maybe a few on Thursday of this week. For on the last two days of this week the northwest Missouri editors will meet here and the annual inter-high school literary and athletic contests will be held.

For Town Pride, Clean Up.

Their view of Maryville at that time will mean much. If it is good Maryville will get much mention by the many editors who will come, and if it is bad, there may be some mention, too, or at least no commendation. So for the love and pride you feel for your home town, clean up and do it quick.

There will be no schedule on which the city garbage wagons will operate over the city tomorrow, but every street and alley in Maryville, clear to the outskirts, will be traversed once during the day by a city rubbish wagon. If your trash is neither in the street or alley when the wagon goes along then you must tote it off yourself, for no street or alley will be traversed more than once.

LUMBER DEALERS TO MEET.

Northwest Missouri Lumbermen Gather at St. Joseph Friday—C. C. Trapp, President.

The annual spring meeting of the Northwest Missouri Retail Lumber Dealers' association, of which C. C. Trapp of Graham is president, will meet at the St. Francis hotel, St. Joseph, Friday. The election of officers and hearing of reports will constitute part of the business meeting.

Leave For Homes.

Frank Butherus of St. Louis and William Butherus of Atchison, Kan., who were called to Maryville by the death of their father, C. H. Butherus, who died Friday noon, will leave for their homes tonight.

RECEIVE TROPHY CUPS

Three Championship and 3 Relay Prizes Here For Winning High School Athletes.

The trophy cups for the inter-high school track meet winners here next Saturday, in addition to the forty medals, were received Saturday by DeHart & Holmes, jewelers, and will be placed on display today. There are three championship trophy cups and three relay trophy cups, each with silver plate exterior and gold lining and set on a mahogany base.

The championship cup stands 14 inches high without base and approximately 20 inches high with base. The relay cups stand 8½ inches high without base. They have a 3-inch base.

The championship cups have engraved on one side the initials N. M. I. H. S. A., meaning "Northwest Missouri Inter-High School Association," the words "Championship Trophy Cup," the date, "1915," and the words "State Normal School, Maryville, Mo." In addition, the class for which each championship cup is designed, is mentioned, with the words "Class A," "Class B" and "Class C." Space for the winner's name is also allowed on the front or the back.

TRY NEW LINEBAUGH SUIT

Litigation Over Farm Possession to Be Heard by A. F. Harvey, Special Judge.

A trial before a jury of the suit of Duffey Wallace against William T. Humphrey, over the possession of 40 acres of the old William Linebaugh estate, a mile east of Clearmont, was begun this afternoon before Special Judge A. F. Harvey. This action was taken on plea of the defendant for a change of venue. By agreement of parties in the litigation it was decided to swear Judge Ellison off the bench and substitute Mr. Harvey.

Wallace claims in this suit, that Humphrey tore down some fencing bounding the place, and asks damage for same. Both claim possession of the land. The jury for the case was selected this morning. It consists of C. E. Duncan, S. J. Friend, P. E. Ashford, Z. W. Thompson, Mike Sturm, C. H. Wilson, J. B. Taylor, E. C. Moore, D. M. Hughes, George Lucas, C. O. Workman and James Donnell.

This will probably end the April term of Circuit court.

BARN FIRE WAS INCENDIARY?

Early Morning Blaze on Charles Miller Farm, Near Quitman—Officers Investigate.

A fire of unknown origin, probably incendiary, destroyed the barn and most of the contents on the Charles Miller farm, one and one-half miles northeast of Quitman at 3:30 o'clock this morning. Only a wagon and baggy were saved. There was no stock in the building at the time. The place is occupied by John Miller, and was formerly owned by Chris Bowman.

Immediately after the fire was discovered, Sheriff Edwin Wallace and Chief of Police E. C. Moberly were summoned. They hastened to the scene of the fire and began an investigation as to whether the fire was of incendiary origin. While the flames were first discovered in the loft, and no one was known to have gone there yesterday or last night, Sheriff Wallace said this morning that he did not find enough evidence to warrant the belief that the fire was an incendiary one.

A further investigation will be conducted however. Chief Moberly said this morning, he would probably not use his blood hounds on the case.

ENTER FOR EVENTS

MANY SCHOOLS TRY AT TRACK MEET SATURDAY.

SOME IN ALL CONTESTS

Maryville High School to Enter Student Athletes for 15 Races, Some For Only a Few.

The list of entries by events for the sixth annual inter-high school track meet of Northwest Missouri schools, to be held at the Normal grounds Saturday afternoon, was compiled this afternoon by Prof. H. P. Swinehart, corresponding secretary of the association. There are fifteen events, for which seven or more schools out of the thirty-five are entered for each. A few of the larger schools, including Maryville, have entries for each event, while a few are trying for merely two or three events.

In some instances three or more names are entered for a certain event from one school, but only two from any one school can take part in any event at the time of the contest Saturday. The permission for schools to enter up to five, is to give more time in which to pick the best material for the final entrance.

The list of entries for each of the fifteen events is:

CITY STARTS CLEAN-UP TOO

Begin Flushing Paved Streets Today, Preparatory to Arrival of Visitors Friday.

The city street department also has enlisted in the clean-up movement, and this morning a general flushing of the paved streets of the business section, was begun. The paved streets have really been dustier than the dirt streets and roads the past week, on account of so much mud being tracked onto the pavement during the prolonged muddy spell last month.

The work this morning was begun on East Third street beginning at Market street. Other paved streets will be taken up in order, with the expectation that much of the pavement can be thoroughly cleaned by Friday, according to City Engineer F. L. Flynt.

TO PUNISH LIQUOR VENDERS

Court Reduces Punishment of John Williams, Because of Charge, Not Leniency.

The punishment of John Williams, charged by the state with having given liquor to a minor, who was sentenced last week to serve six months in the county jail by Circuit Judge W. C. Ellison, was reduced this morning to a fine of \$200. This was not, Judge Ellison explained, because of any desire to show leniency, but because the charge placed allowed of no greater punishment.

"Under the state law a person convicted of having given liquor to a minor can be punished no greater than by a \$200 fine, while if the charge be giving liquor to an habitual drunkard it can be a six months jail sentence," said Judge Ellison. "I do not want it misconstrued that this court will be lenient on illegal peddlers of liquor or 'go-betweens' for those that do drink, but that on the other hand the maximum penalty will be given wherever possible."

Williams pleaded guilty to having gotten whisky for Levi Kelley, a minor. Williams went to jail, being unable to pay fine.

HORSES RUN WITH LOAD OF HAY.

Left Trail—Damage Wagon and Harness—Two Occupants Unhurt.

A team of horses hitched to a wagon loaded with hay and driven by Ernest Pivral and H. O. Adams, became scared and started to run at Fifth and Buchanan streets at 12:30 o'clock this afternoon. In making a quick turn to the west at Seventh and Buchanan streets the wagon was run against the northwest curbing, upsetting it and smashing both axes on the right side, damaging the hay rack and the harness. This checked the horses.

While Mr. Adams was precipitated partly beneath the wagon when it overturned, neither he nor Pivral were hurt.

TWAS A GREAT DAY OUTDOORS.

Many Residents Hied to Woods and Streams Yesterday for Outing.

Yesterday was a great day for Maryville folk to get out of doors—and a great bunch of them did so, too, as could be observed along the country road and woods and streams. From early morning until after sundown the roads were lined with folk intent on outing, either going or coming. They were not all men or boys, either. There were girls in the out-of-doors frolics.

Fishing proved to be the most popular diversion, and the fish stories that were told around the streams and in homes last night and today were a caution. Of course, a goodly number of the finny specimens of animal life were snared into the folds of human beings of Maryville—but not near so many, nor were they near so large, as one would imagine by the stories told.

Fishing was good, though, and so was kodaking, flower hunting and motoring.

TO HOLD COMMENCEMENT.

Clearmont High School Will Graduate Two Friday Night.

Two students will finish the course of the Clearmont high school this week. They are Miss Blanche Marie Wallace and Miss Ethel Margaret Gillespie. The commencement exercises will be held Friday night at the Clearmont Methodist church. The class address will be given by the Rev. Tom C. Middleton, pastor of the Methodist church of Burlington Junction.

The class sermon was given yesterday morning by the Rev. R. R. Watts. Prof. George Summerville is principal of the Clearmont schools.

Burlington Won 8 to 0.

The Skidmore base ball team lost to Burlington Junction at Burlington Junction yesterday afternoon by a score of 9 to 0. While one-sided, the game was fast and exciting, it is said.

600 MEN AT MEET

"BILLY" DAVISON TEAM DRAWS CROWD TO CHRISTIAN CHURCH.

IOWA WORKERS SPEAK

Other Protestant Brotherhoods Join in Union Meet Yesterday Afternoon—Musical Program Given.

More than 600 men attended the union meeting held yesterday at the First Christian church, conducted by the "Billy" Davison Gospel team of Des Moines, Ia. Headed by the Maryville band and the gospel team, the Brotherhood of the Christian church went in a body to the other churches, taking in line the men's clubs of the First Methodist, Presbyterian, Baptist and Buchanan Street Methodist churches.

The meeting opened at 3:15 with a musical program by the band, and singing by Paul Wells, soloist of Central church, Des Moines, and a double quartet under the direction of Prof. H. B. Schuler.

Yesterday was the fifteenth Sunday which this gospel team has spent in evangelistic campaigns. The team is composed of five members, all business men of Des Moines, Ia. They are William Davison, leader; Dwight Lewis, assistant commerce counsel of Iowa; Guy Williams of the rectorial staff of the Des Moines Register-Leader; Robert Garland, a traveling salesman, and Paul Wells, soloist. At the meeting yesterday afternoon each of the men made a talk, giving his various experiences and telling of his conversion. The meeting was one of the most enthusiastic ever held in the city. The team has been doing an unusual work since its organization last fall. Whenever meetings have been held they have been attended with a great success and many converts have been made. At the morning hour of service the men visited the other churches of the city. Last night the team conducted the services at the Christian church, holding one of the largest gatherings ever in the church.

Delegations from all the surrounding towns were present at the meetings yesterday afternoon and last night.

BASEBALL PARK IS LEASED

Boosters Get Ground Rights for Season—Start \$1,000 Ticket Sale at Once.

A contract was made at noon today whereby Warren Spoor, owner of the "Riffe" base ball grounds in the southeast part of the city, granted the rights of the park for this season to the leaders for a city base ball team this summer. It provides for thirteen games, one each week, beginning about June 1 and continuing until September 1.

The sale of season tickets for the games at \$1 each for adults and 50 cents each for children 12 years old or less, will be begun at once, it is announced. It is intended to sell \$1,000 worth of tickets in order to assure a full season's games here. This will necessitate the sale of about 600 adult tickets and 800 children's tickets, leaders say.

As school will be dismissed by the time the season starts, though, it is argued that fully 800 children's tickets can be sold, while the games coming later in the afternoon, it is believed all business men and laborers can take advantage of the attractions.

The twelve students of the Maryville high school who will enter in the track meet at the Normal grounds Saturday to represent the local school, were chosen by Coach Harvey Watson this morning by eliminating five of the seventeen originally entered. Those retained are Myron Baker, Joseph Farmer, George Flemming, Ellison Frank, Claude Glass, James Halasey, William Hutchinson, Lester Masters, Harvey Messick, Kenneth Van Cleave, Russell Woodward and Eugene Yehle.

They will enter for the events previously announced. Those dropped today are Curtis Benight, Harold Sawyers, Berney Harris, Irwin Harris and Don Roberts.

PICK FINAL LOCAL ENTRIES

Twelve Maryville Athletic Contestants for Meet Friday Are Chosen—Five Eliminated.

The twelve students of the Maryville high school who will enter in the track meet at the Normal grounds Saturday to represent the local school, were chosen by Coach Harvey Watson this morning by eliminating five of the seventeen originally entered. Those retained are Myron Baker, Joseph Farmer, George Flemming, Ellison Frank, Claude Glass, James Halasey, William Hutchinson, Lester Masters, Harvey Messick, Kenneth Van Cleave, Russell Woodward and Eugene Yehle.

They will enter for the events previously announced. Those dropped today are Curtis Benight, Harold Sawyers, Berney Harris, Irwin Harris and Don Roberts.

The term at the Mt. Ayr school near Bedison closed Thursday with a patrons' day and program. The pupils and patrons of the Douglas school were guests and at noon a basket dinner was enjoyed. During the afternoon, the pupils of the Mt. Ayr school, under the direction of the teacher, Miss Claire Kidder, gave an entertaining program of readings and music.

URGE CLEAN-UP FROM PULPIT

Ministers See Value of Improvement Campaign—"A Challenge to Higher Civic Life."

The clean-up move got into the churches yesterday, and from the pulpit utterances on the improvement campaign were heard at several churches, while the Rev. R. L. Finch made it a special sermon topic yesterday morning. Everywhere such announcements were made, it was argued that the clean-up campaign was of spiritual and moral value as well.

"The person, be he orthodox and a constant church goer, who keeps a garbage can on his premises in a condition that is a menace to health, or does not remove unnecessary fire risks, lessens his chance to get into the kingdom of heaven," said the Rev. S. D. Harkness in his sermon yesterday morning at the First Presbyterian church.

In Mr. Finch's sermon on clean-up he explained why a clean-up of premises marked a pride of the town, and showed how it was in keeping with the modern ideas of surgery and medicine, in trying to prevent rather than to cure diseases of the human being.

Cast Away Sombre Clothes Now.

"At this time of the year individually and collectively we are seized with a 'divine unrest.' Nature has sloughed off her sombre grays and is bursting forth in flashing garments of green. There are fateful conferences as to the most satisfactory radish or the most opulent onion. The children await with breathless anxiety the appearance of the first tiny shoots in the garden. 'Tis a scene of homely peace and pastoral beauty."

Suddenly, however, countless batteries of 42-centimeter guns are heard on every hand. The mighty army of house cleaners are bombarding the rugs. The air is filled with the dust of battle. Nervous husbands are seen skulking down alleys in the direction of business. Dinners are eaten on a box in the kitchen, if at all.

"And as the sun rises the lord of the household looks down upon a world that has suddenly declared war upon all the accumulated dirt of the winter, and proposes to fight the battle through to a glittering end. Before long old Sol sees General Housewife victorious within the walls of the home, and she now advances to the attack on all the rubbish and filth out of doors."

A City Has a Soul.

"Steadily she advances with dead leaves, tin cans and old shoes falling back before her until with one supreme effort she drives them into the alley, where Tuesday the city will find their piled up remains and cart them off to the dumping ground."

"The annual onslaught of the forces of cleanliness against the forces of dirt and uncleanness is a challenge to the higher civic life, and should meet with such a hearty response that Maryville shall be known as the 'City Beautiful.' But more than this: There is in the 'clean-up' idea a suggestion of values that lie far beyond that of a city physically clean and beautiful. A city possesses a soul. It is the residue left when all the purposes, desires and ambitions of every member of the community life, good and bad, are thrown into one common melting pot and subjected to the white heat of public scrutiny."

Attend Funeral at Liberty.

Dr. and Mrs. C. T. Bell and Mr. and Mrs. John Richey returned last night from Liberty, Mo., where they went to attend the funeral services of W. E. Bell, a brother of Mrs. A. E. Bell of this city, who died Friday. Mr. and Mrs. A. E. Bell went to Liberty several days previous.

Attended Shull Funeral.

Mr. and Mrs. Wilbur Lawler and Mrs. Lloyd Casteel returned Saturday from Skidmore, where they were called to attend the funeral services of their aunt, Mrs. P. P. Shull.

POLK PUPILS HAVE MEET HERE MAY 15

PLAN ATHLETIC CONTESTS AND COMMENCEMENT.

HOLD TRACK EVENTS ON STREET; PICK OFFICERS

Teachers and Superintendent Prepare Awards and Choose Committees—Any Township School Eligible.

The annual track meet and commencement for public school students of Polk township, to be held Saturday, May 15, was arranged for at a meeting of Polk township teachers with County School Superintendent Bert Cooper Saturday afternoon. The commencement program will be given at some church or the opera house here, beginning at 1 o'clock in the afternoon. Immediately after that the various athletic events will be staged, probably in the street on the west side of the square.

Any school in the township may enter pupils for the athletic stunts and be entitled to prizes offered. There will be ten events. Officers and committees to arrange for the commencement and track meet were also selected. The new officers are: President, Miss Mary Halasey; secretary, Miss Mary Watson; treasurer, Miss Ruby Ruddell; starter, Prof. H. P. Swinehart; referee, Prof. Walter Hanson; announcer, Orlo Quinn. Judges are to be selected soon by Prof. Bert Cooper. The committees are:

Program—Miss Grace Fisher, chairman; Miss Mary Watson, Miss Myrna Converse.

Finance—Miss Ruby Ruddell.
Flower—Miss Izora Mutz, Miss Mary Tobin and Miss Nellie McKnight.

There are thirty-one schools in Polk township, excluding those of Maryville, each of which are entitled to representation in the commencement and track meet, May 15. The expense of the track meet premiums will be met by co-operative contribution by the various schools and teachers in the township.

The various track meet events arranged Saturday afternoon are:

50-yard dash—For pupils of grades 5th and 6th: First prize, \$1; second prize, 50 cents.

Sack race—For pupils of grades 2d, 3d and 4th: First prize, \$1; second prize, 50 cents.

Ball throwing contest—For girls of grades 6th, 7th and 8th: First prize, \$1; second prize, 50 cents.

50-yard dash—For girls of grades 1st, 2d and 3d: First prize, \$1; second prize, 50 cents.

50-yard dash and return—For boys of grades 7th and 8th: First prize, \$1; second prize, 50 cents.

50-yard dash—For boys of grades 1st, 2d and 3d: First prize, \$1; second prize, 50 cents.

JOHN GRIMES, 80, DIES.

Funeral Services Will Be Held at St. Patrick's Church.

John Grimes, aged 80, died at 6 o'clock last night at his home, on North Dewey street. The funeral services will be held at 9 o'clock tomorrow morning at St. Patrick's Catholic church, conducted by the Rev. Father Niemann. The body will be buried in St. Patrick's cemetery.

Mrs. Grimes had made his home for many years on a farm east of Arkoe, and a short time ago moved into Maryville. He became ill about two weeks ago, his sickness developing into pneumonia, which resulted in his death yesterday.

Mrs. Grimes is survived by his wife and three daughters. The daughters are Mrs. Albert Collins and Mrs. Roy Jackson of Ravenwood, and Miss Katherine Grimes, living at home.

REV. PRICE BEGINS MEET

Two Weeks Revival Services Opens at
Methodist Church.

The Rev. Thurston B. Price yesterday morning conducted the first of a two weeks series of meetings to be held at the First Methodist church.

The Rev. Mr. Price is a pleasing speaker, quiet and forceful in manner and expression, and he speaks in a way to carry conviction.

Yesterday morning he spoke from the subject "A Sane Evangelism." The address was along the line of an appeal for evangelism from a common sense business man's standpoint, and that a revival meant a reviving of spiritual life with a new devotion and new consecration.

The Rev. Mr. Price said in his address:

"Some revivals are better that get some out, than some in, the church. I do not object in any way to evangelistic meetings, but the method of evangelism must be in pursuance of a deep, consecrated renewal of our faith and in this way we cannot help but get the others to join with us."

Last night the Rev. Mr. Price spoke from the text "Where Art Thou?" discussing the relation of god and the Christian, the lukewarm Christian, and the man outside.

Rev. E. N. Gulice has charge of the music at each service. The meetings will be held each night at 8 o'clock.

CITY TO AID ROAD DRAGGING

Council Agrees to Donate \$100 a Month
for Improving Main Thoroughfares.

The city council met in informal session at the city hall Saturday night to hear a proposition from Charles Bellows relative to city aid for road dragging into Maryville, as provided by the Commercial club last Tuesday night. All councilmen but Mohe Hahn were present. Mayor U. S. Wright presided.

While no contract was made, nor ordinance passed relative to the matter, the city aldermen agreed to expend \$100 a month for the improvement proposition, provided the work is satisfactory. This action was taken because of the Commercial club's move to drag and improve each of the ten highways leading into Maryville for a distance of two miles from the city paving.

As this would necessitate much improving inside the city limits, it was thought just that the city should contribute to the proposition.

WAS RESIDENT FORTY YEARS.

E. B. Yeaman, 76, Dies Yesterday
Morning at Barnard.

E. B. Yeaman, 76 years old, who had been a resident of Nodaway county for the past forty years, died at 9 o'clock yesterday morning at the home of his daughter, Mrs. J. A. Jobe, two miles northeast of Barnard. Mr. Yeaman had been in failing health for the past eighteen months.

The funeral services will be held at 9 o'clock tomorrow morning at the Jobe home, and the body will be brought to Maryville at noon and buried in Miriam cemetery, beside that of his wife, who died five years ago.

For the past four years Mr. Yeaman had made his home in St. Joseph with his son, O. B. Yeaman, who recently moved to Maryville. Mr. Yeaman is survived by five sons and three daughters. They are R. P., O. B. and R. O. Yeaman of Maryville, L. A. and W. E. Yeaman of Kansas City, Mrs. J. A. Jobe of Barnard, Mrs. C. C. Blagg, living south of the city, and Mrs. Floyd Bradley of St. Joseph.

Mission Circle Meets.

The regular monthly meeting of the Mission Circle was held Saturday afternoon at the home of Mrs. F. P. Robinson, with Mrs. W. E. Goforth and Mrs. Robinson, hostesses. At the business session, conducted by the president, Mrs. G. B. Roseberry, plans were made for the annual rummage sale to be held April 30. The program was opened with devotions by Mrs. John Richey and the reading prayers were given by Miss Fannie Hope, Mrs. E. R. Utter and Mrs. Shinabargar, Mrs. Zetta Broyles read an interesting paper giving a character sketch of Matthew Tyson Yates, and Miss Harriett VanBuren gave a Bible study on "The Shunammite." Mrs. H. B. Schuler gave a report of the mission work in Mexico, and this was followed by a vocal solo.

DIVER WORKING ON F-4 ENTANGLED IN LINE

Freed by Comrade After Four Hours' Strandous Work.

Honolulu, April 19.—While working at a depth of 220 feet outside the harbor, where attempts are being made to raise the submarine F-4, Diver William F. Loughman became entangled in the lines attached to the submarine, but was released after heroic efforts lasting nearly four hours.

Loughman was being brought to the surface when he became entangled. Diver Frank Crilly, who recently made a record here for deep sea diving, was hastily sent down to aid Loughman. Both divers worked strenuously to disentangle the lines to the submarine from the air tube and the line attached to Loughman's apparatus. Finally Crilly signalled that Loughman was clear.

Crilly is being hailed as a hero. Though weak from exhaustion and nervous strain Loughman is well on the way to recovery today.

GERMAN VESSEL BOUGHT

Hamburg-American Liner Now Under United States Registry.

Washington, April 19.—American registry has been granted the steamship Housatonic, formerly the Hamburg American liner Georgia, which has been laid up at New Orleans since the European war began. In announcing the change of registry a department of commerce statement said the ship had been bought on March 29 for \$85,000 by the Housatonic Steamship company, of which Edward S. Greer of New York is president. It is understood that the Housatonic is to be employed in the South American trade.

Jesse W. Henthall, president of the United Railroads of San Francisco announced that he would continue to discharge every man whom he believed to be affiliated with the newly organized street car men's union. He said he considered the demands of the union for an eight-hour day and a minimum \$3 wage to be unreasonable, and that the company could not afford to meet them.

ALLIES BUY 80,000 MULES

British Move Inspection Headquarters to Mountain Country.

Kansas City, April 19.—Orders for 80,000 mules for use in the British army have been placed with local livestock dealers by agents of the British government. The orders are for delivery covering the next six months.

The animals are to be assembled at Grand Island, Neb., and shipped from there to the seaboard in Canada. It was asserted.

British remount officers announced also that inspection headquarters would be removed temporarily from Kansas City to Denver. This will be done, it was pointed out, that buyers may evade the range territory while farmers in this section are using their animals for harvesting purposes.

D. A. R. MEET OPENS WITH USUAL BATTLE

Washington, April 19.—With the preliminary business disposed of, delegates gathered here from practically every section of the country for the twenty-fourth annual congress of the Daughters of the American Revolution. The congress will be in session all week, but interest centers in the election of officers Wednesday.

Campaign leaders for the rival candidates for president general began to round up their followers. The congress apparently is divided into two factions—one supporting Mrs. Story for re-election and the other working for Mrs. George Thatcher Guernsey of Kansas.

BASEBALLWORKON

BEGIN TICKET SALE FOR NORMAL SEASON TODAY.

PLAY TRIAL GAME TODAY

Faculty and Players Meet This Afternoon for Preliminary Try-Out—Meet Wesleyans Here Friday.

Tickets for the Normal base ball season of 1915 were placed on sale this morning at the Normal school. The placing of the tickets in the hands of the students for sale was done under the direction of Coach Walter Hanson in a very novel manner.

After the school had sung several songs, the curtain to the stage in the auditorium was drawn and the entire base ball team in new suits appeared before the student body. After the team had sung a song it was announced that there would be a game this afternoon between the Normal school and a picked nine from the faculty.

Mr. Hanson then called on Mr. Foster, the captain of the faculty team, for a speech. Mr. Foster very wittily extolled the prowess of his aggregation, and also added some very sage suggestions to the umpire, President Ira Richardson.

After Mr. Foster had finished, Mr. Hanson called the attention of the student body to a large blackboard, covered with white cloth. Upon the white background was a base ball diamond drawn in green, and a series of numbers extending across the board. Mr. Hanson explained that the numbers of the board represented the number of tickets that he had for sale, and called for the first person who would undertake the sale of a number of the tickets.

Societies Aid Base Ball.

The Eureka Literary society demanded the first fifty tickets, after which the senior class took a like number. The Philomathean society and the junior class were on their feet practically the same time and also asked for a number of tickets.

As the numbers asked for by the societies, classes and individuals were removed from the board, it became apparent that each number had covered a letter on the blackboard, and at last, when all of the numbers were removed, the words "We Want the Championship" were displayed to view. A single row of 56 down one side of the board when removed showed the words "Thank You."

Five hundred tickets were put in the hands of the students this morning, and it is thought that more than half this number will be sold before the game with Missouri Wesleyan college Friday, when the Methodists open the season on the Maryville diamond.

The line-ups for this afternoon's game will be as follows:

Faculty—Kinnaird, p; Foster, lf; Swinehart, 3b; Wagg, cf; Rickenbrode, 2b; Wilson, rf; Cauffman, ss; Wells, c; Schuler, lb; Maxwell, cf.

First team—Hagg, lf; E. Adams, 2b; Leech, ss; Bird, 3b; Wiles, c; Brittain, cf; Noblett, rf; L. Adams, lf; Ham, p.

President Ira Richardson, umpire.

Official Schedule Out.

The Normal first team is now beginning to round into shape, and with the addition of Edward Adams and Eugene Bird, who entered school today, the prospects begin to look bright. Marvin Dyer of St. Joseph is also expected to return and will probably find a regular berth on the team. The men named in the lineup are first team men, but may appear in different positions before the opening game.

The season tickets call for five games and sell for \$1 each.

The official schedule, as announced by Coach Hanson today, is as follows: Missouri Wesleyan at Maryville, April 23.

William Jewell college at Maryville, April 30.

Tarkio college at Tarkio, May 7.

Missouri Wesleyan college at Cameron, May 13.

William Jewell college at Liberty, May 14.

Conception college at Maryville, May 19.

Tarkio college at Maryville, May 28.

Conception college at Conception, June 4.

Pertu normal at Maryville, no date set.
